

Hamed Ahmed Hamed

Flutter Developer

 hamedelshafeei41@gmail.com  01094027375  Cairo  linkedin  github  medium

PROFILE

Flutter Developer with **1 year of practical** experience building production mobile apps for iOS/Android across e-commerce, tracking systems, booking, social, and dashboard platforms. Experienced in **Clean Architecture** and **BLoC/Cubit**. Integrating **maps, payment gateways, REST APIs** while focusing on performance and clean code. Delivered **production applications**, including a Muslim app published on the **App Store**. Strong **problem-solving**, communication, **teamwork**, and a willingness to learn.

PROFESSIONAL EXPERIENCE

Flutter Intern — Pure Soft.

11/2025 – 01/2026 | Monofiya(on-site)

Built **Production** apps using Clean Architecture, **REST APIs** with **Caching** for **90% reliable**

Fruit App

A store for shopping, including favourites, order **tracking**, payment, FCM, **pagination**, and adaptive/responsive UI.

Az-SENCS, Mobile App Instructor (Flutter)

10/2024 – 02/2025 | Cairo

- Trained **30+ students** in Dart, Flutter, Firebase, (Cubit/BLoC).
- Designed and delivered projects resulting in 5+ complete apps built by students.
- Facilitated workshops improving student project delivery **speed by 25%**.

ITI, Flutter Developer Summer Internship

08/2024 – 09/2024

- Worked with a team to design and improve mobile apps using Flutter & Firebase.
- Applied Clean Architecture, cutting bug reports by 30%.

EDUCATION

B.Sc. in Systems & Computing Engineering, Al-Azhar University

cairo

Major: Computer Engineering | Minor: Software Engineering

PROJECTS

Tabibi System (Graduation Project)

08/2025 – 04/2026

Preview App **Admin Panel**

- Developed an **intelligent healthcare ecosystem** including a patient app, doctor app, and admin panel, featuring appointment booking, prescriptions, reviews, **the nearest doctor for the patient**, push notifications, and **Stripe** payment integration.
- Built an **AI medical assistant using RAG** and added **video** consultations via ZegoCloud while use WebSockets, an offline-first approach, maps, and clean architecture.

Muslim-Islamic App (App Store)

01/2026 – 02/2026

The Muslim app delivers 91% prayer times, Azkar, hadith, Sebha, Qibla, and local & FCM with custom sounds and other features.

ShopSphere – Premium E-Commerce App (App Store)

12/2025 – 03/2026

- A production app and admin panel with a 100% **responsive UI**, product catalog, cart & wishlist, **multi-payment checkout**, **caching**, order tracking, Search&filter, and smooth animations, clean architecture & BLoC/Cubit.

Fruit App

11/2026 – 01/2026

- Order **tracking**, favourites, **payment**, **FCM**, pagination, and adaptive/responsive UI

Nexon - Instagram Clone ,

07/2025

- Built a social app with **real-time chat**, post sharing, notifications, and secure auth.
- Added **dark/light themes**, custom profiles, and Firebase authentication.
- Optimized with **Supabase storage**, cutting image load time by 40%.

SKILLS

Fundamentals — Asynchronous Programming, OOP, SOLID Principles, Algorithms, Design Patterns, Functional Programming

Flutter & Dart — Flutter, Dart, BLoC, Cubit, Provider, Freezed, Flavors, Pagination, Background services, Unit Testing (Mockito/Mocktail)

Architecture — Clean Architecture, MVVM, Repository Pattern, Dependency Injection, Modularization, SOLID, Design Patterns, Refactoring

Delivery & Tooling — CI/CD (GitHub Actions), App Store Connect, Google Play Console, Git, Postman, Jira/Trello, Agile (Scrum/Kanban)

AI-Assisted Development — Prompt Engineering, Model Context Protocols (MCPs), Generative AI Integration, Copilot, Claude, Gemini, Cursor, Kilo Code, AI-Generated Backend Infrastructure, LLM Integration in Applications, Spec-Kit, Strategic AI Usage

Integrations — REST APIs (Dio/http), WebSockets (SignalR), Firebase (FCM/Crashlytics/Analytics/Performance/Remote Config), OneSignal, Maps SDKs

CERTIFICATES

- Flutter App Creation: Google Maps Integration Guide [Arabic] — Udemy
- Flutter Advanced Course Bloc and MVVM Pattern [Arabic] (16h) — Udemy
- Mastering Flutter: Responsive & Adaptive UI Design [Arabic] — Udemy
- Solid Principles Certificate — Udemy
- Mobile App Instructor (Flutter) [4 monthes] — Az-SENCS
- Certificate in Mobile Application Devolper using Flutter (120h) — ITI
- Complete Flutter & Dart Development (Arabic) [54h] — Udemy
- Flutter Development Diplome (60h) — Easy Learn Academy
- EF SET English Certificate (B1 Intermediate) — EF SET
- Honorable Mention in the 2023 ECPC Qualifications — ICPC
